Stroika Commercial Class Library License

Definitions:

Stroika is a source code library – primarily written in C++.

Stroika:

This license is royalty-free.

This software is licensed to _____.

This license applies to Stroika version _____.

Grant and Term:

This license entitles the licensee to the given version of Stroika source for Permitted Uses (subject to Restrictions). It does not include or imply any level of ongoing support.

All rights granted in this license are granted for the term of the Copyright on Stroika, and are irrevocable so long as the license is not violated.

Permitted Uses:

All of the Stroika sources may be utilized, including both the library sources, and any of the application and demo sources in any manner you see fit (subject to the limitations outlined in this license) to build either applications or components.

In the development of Stroika -based products, you may compile Stroika source code. But Stroika itself may be distributed in object code form only - as incorporated into your applications, and components.

Restrictions:

You may not redistribute the Stroika source code in its original form, or any modified forms for any purpose.

Any work-products based on, or incorporating Stroika must in some meaningful way give credit to Sophist Solutions, Inc. for what parts were used. This credit may take whatever form you deem appropriate for your use, but, for example, a mention in your about box (if you are developing an application that has an about box) would satisfy this requirement. These credits to Sophist Solutions, Inc. should include the web, and email addresses (http://www.sophists.com/Stroika/ and info-stroika@sophists.com).

Non-transferable license and liabilities:

This license is granted by Sophist Solutions to a particular individual, and the license may not be transferred.

This license does NOT grant the right to redistribute any Stroika source code. Sophist Solutions, Inc. is the sole source of Stroika commercial licenses, and the sole party allowed to distribute its sources.

Under no circumstances, including negligence, shall Sophist Solutions, Inc. be liable for any incidental, special or consequential damages that result from the use or inability to use Stroika, even if Sophist Solutions, Inc. has been advised of the possibility of such damages. In no event shall Sophist Solutions, Inc. be liable to you for any damages, losses and causes of action in excess of the amount paid for this license.

This license constitutes the entire agreement between the parties with respect to the use of Led and supersedes all prior or contemporaneous understandings regarding such subject matter. No amendment to or notification of this License will be binding unless in writing and signed by Sophist Solutions, Inc.

Licensee agrees to the terms of this license upon downloading of (or otherwise obtaining from Sophist Solutions, Inc.) Stroika source code.
